In addition to here leadership positions, she has held diverse board positions for the past several years. Currently she is a Board member of Visit Faroe Islands, the Faroese House of Industry, European Regions Airline Association. Jóhanna has a master´s in Management from Robert Gordon University in UK.

Headline of Presentation:

Situational leadership - facing diverse situations:

Situational leadership involves adapting leadership styles based on the specific situation or task. The model identifies four leadership styles: directing, coaching, supporting, and delegating. These styles represent different faces emphasizing flexibility and responsiveness to varying circumstances for effective leadership
