

LNN – Ledernes Netverk i Norden

**Contract regarding LNN conference Faroe Island
30. and 31. of May 2024**

Carsten Hornstrup

Partner / PhD

Introduction:

Experienced practitioner, researcher, and author with more than 30 years' experience in working with relational approaches to leading and organizational development.

Headline of presentation:

Relational approaches to leadership and organizational development

The presentation will focus on how we can understand and work with relational approaches to leadership and organizational development. Based on his own research and practice, Carsten will focus on building organizational capacity for how to handle complex work processes and change.
