30. and 31. of May 2024**

Hanna Jensen

*Rector of upper secondary institution Miðnám á
Kambsdali on leave serving as MP in the Faroese
Parliament, a member of the committee of Finance.*

Introduction:

Hanna is a rector of upper secondary institution Miðnám á Kambsdali on leave serving as MP in the Faroese Parliament, a member of the committee of Finance. Former chair of committee of Education and Culture (2015- 2018), minister of education (2019), and experienced municipal politician mostly chairing in education and culture. Teaching French and Faroese since 2003 as well as serving as studies and career counselor advocating student wellbeing, lifelong learning and skills development. MA in French and Faroese (University of the Faroe Islands) and trained in guidance and counseling.

Headline of presentation:

Formal and informal mentoring and leadership in education:

Presenting examples of formal mentoring in parts of the educational system, including testimonies as well as examples of different types of informal mentoring and leadership in the same field, based on a smaller study through questionnaires and interviews. Broader reflections on demands and future skills development, enhancing mentoring and leadership capabilities in the field of education.
